

# Product Information Sheet

## EXTENDED FINGERS BRACKET

The new Extended Fingers Bracket provides extra-deep cable management capacity for applications that require large cable bundles or thick cable.

Extra space also improves cable bend radius management, meeting or exceeding the needs of the latest Cat 5, 5e and 6 industry standards. It is a cost-effective accessory for cable management in specific areas of the rack rather than along its entire height.

- It is preassembled in 7 RMU, 9 RMU and 13 RMU heights for mounting directly onto any industry-standard rack
- Patented cable guide fingers at 1 RMU intervals provide an organized cable pathway
- Made of durable, flame-retardant (UL 94V-0) plastic for environmental safety
- Sold individually

Part Number	Description	Shipping Weight
12891-703	7 RMU, Black	2 lb
12891-701	9 RMU, Black	4 lb
12891-702	13 RMU, Black	4 lb
