

# AV 110 Everywhere

**HUBBELL**  
**iSTATION** UTP 110 AV Extenders  
and Connectors

**AV  
over  
UTP!**

**Now install point to  
point connections with  
UTP cable**

- Transmit over 1 or 2 UTP cables
- Extend AV signals 75-150 feet or HDBaseT to 330 feet
- Locating an AV device is as simple as pulling additional UTP cables to a drop
- Utilize Category 5e, 6 or 6A

**Save Time | Save Labor | Save Money | Save Space | Save Capacity**

**HD BaseT | Component | Composite | VGA | USB | HDMI**
