

UniCam® Connector Installation Tool Kit

High-Performance, LC, SC and ST® Compatible

CORNING

Corning Cable Systems offers several tool kits for installation of UniCam® Connectors for data centers, fibre-to-the-desk applications and for local area networks, including main cross-connects, telecommunications rooms and enclosures.

The main offering in installation kits is the UniCam® High-Performance Tool Kit (TKT-UNICAM-PFC). This is a carefully designed tool kit that virtually eliminates human variability from the installation process. The TKT-UNICAM-PFC includes a lightweight, handheld installation tool with an immediate go/no-go feedback signal to provide unmistakable confirmation of a successful termination. The kit's high-performance cleaver has an integrated fibre scrap bin and a dual clamp precision hold for the field fibre, with a diamond blade to achieve a superior cleave. It can be used with multimode or single-mode LC, SC, ST® Compatible UniCam Connectors (standard- and high-performance) and is required to achieve high-performance specifications for UniCam High-Performance Single-Mode Connectors.

Features and Benefits

Terminates single-mode and multimode fibers

Various installation options

Convenient carrying case

Minimizes setup and teardown time

Visual feedback signal (TKT-UNICAM-PFC)

Termination confirmation

UniCam® Connector Flat Cleaver (FBC-007)

Superior cleave performance

Specifications

General Specifications

Product Type	Connector Tools and Tool Kits
Technology	No-Epoxy/No-Polish
Compatibility	LC, SC and ST® Compatible

UniCam® Connector Installation Tool Kit

High-Performance, LC, SC and ST® Compatible

CORNING

Mechanical characteristics

Dimensions (HxWxD)	25 cm x 35 cm x 9 cm (10 in x 14 in x 3.5 in)
Weight	2.5 kg (5.5 lb)

Chemical characteristics

RoHS	Free of hazardous substances according to RoHS 2002/95/EG
------	---

Ordering Information

Order Number	TKT-UNICAM-PFC
Product Description	UniCam® High-Performance Tool Kit: includes High-Performance Installation Tool for termination of multimode and single-mode LC, SC and ST® Compatible Connectors; includes Pretium® Flat Cleaver, 1.25 and 2.50 mm VFL ferrule adapters and all required fibre preparation, cleaning tools and materials

Shipping Information

Units per Delivery	1/1
Package Contents	UniCam® High-Performance Installation Tool, flat fibre cleaver, crimp tool, VFL adapters in 1.25 mm and 2.50 mm, gauge card, fibre preparation tools, fibre cleaning tools
